INDEPENDENT AUDITOR'S REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS TO THE BOARD OF DIRECTORS OF QATAR FIRST BANK L.L.C. (PUBLIC)

Introduction

We have reviewed the accompanying interim condensed consolidated financial statements of Qatar First Bank L.L.C. (Public) ("the Bank") and its subsidiaries (collectively "the Group") as at 31 March 2022, comprising of the interim consolidated statement of financial position as at 31 March 2022 and the related interim consolidated statements of income, interim consolidated statement of changes in equity and interim consolidated statement of cash flows for the three months period then ended, and the related explanatory notes.

The Board of Directors is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with Financial Accounting Standards ("FAS") issued by the Accounting and Auditing Organisation for Islamic Financial Institutions ("AAOIFI") as modified by the Qatar Financial Centre Regulatory Authority ("QFCRA"). Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of review

We conducted our review in accordance with International Standards on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with FAS issued by the AAOIFI as modified by QFCRA.

2. BASIS OF PREPARATION

The interim condensed consolidated financial statements of the Group have been prepared in accordance with Financial Accounting Standards ("FAS") issued by the Accounting and Auditing Organisation for Islamic Financial Institutions ("AAOIFI"), as amended by applicable provisions of QFCRA regulations. In line with the requirements of AAOIFI, for matters that are not covered by FAS, the Group uses the guidance from the relevant International Financial Reporting Standards ("IFRSs") as issued by the International Accounting Standards Board ("IASB"). Accordingly, the interim condensed consolidated financial statements have been prepared in accordance with the guidance provided by International Accounting Standard 34 - 'Interim Financial Reporting'.

The interim condensed consolidated financial statements do not contain all information and disclosures required in the annual consolidated financial statements and should be read in conjunction with the Group's annual consolidated financial statements as at 31 December 2021. In addition, results for the three-month period ended 31 March 2022 are not necessarily indicative of results that may be expected for the financial year ending 31 December 2022.

The interim condensed consolidated financial statements have been prepared under the historical cost convention except for valuation of equity investments, investments in real estate and Sharia-compliant-risk management instruments, which are carried at fair value.

The interim condensed consolidated financial statements are presented in Qatari Riyals ("QAR"), which is the Bank's functional and presentational currency, and all values are rounded to the nearest QAR thousand except when otherwise indicated.

Judgements and estimates

The preparation of the interim condensed consolidated financial statements in conformity with FAS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

The significant judgments made by management in applying the Group's accounting policies and the key sources of estimation uncertainty are consistent with those applied to the annual consolidated financial statements as at 31 December 2021.

3. SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies adopted in the preparation of the interim condensed consolidated financial statements are consistent with those used in the preparation of the consolidated financial statements for the year ended 31 December 2021.

Set out below are the accounting policies adopted and applied in the current period:

3 SIGNIFICANT ACCOUNTING POLICIES (Continued)

3.1. New standards, amendments and interpretations

3.1.1. *New accounting standards, amendments and interpretations that are issued and effective from 1 January 2022*

- **FAS 37 - Financial Reporting by Waqf Institutions**

The objective of this standard is to establish principles of financial reporting for Waqf institutions, which are established and operate in line with Shari'a principles and rules. This standard shall be applicable on all types of Waqf institutions and other institutions constituted on the concept of Waqf, and operating in line with Shari'a principles and rules, irrespective of their legal status, including virtual Waqf institutions.

Since the Group does not have any current waqf activities, there is no impact of this standard to the financials statements of the Group.

- **FAS 38 - Wa'ad, Khiyar and Tahawwut**

AAOIFI has issued FAS 38 in 2020. The objective of this standard is to prescribe the accounting and reporting principles for recognition, measurement and disclosure in relation to Shari'ah compliant Wa'ad (promise), Khiyar (option) and Tahawwut (hedging) arrangements for Islamic financial institutions.

3.1.2. *New standards, amendments and interpretations issued but not yet effective and not early adopted*

- **FAS 1 (Revised 2021) - General Presentation and Disclosures in the Financial Statements**

AAOIFI has issued revised FAS 1 in 2021. The revised FAS 1 supersedes the earlier FAS 1 General Presentation and Disclosures in the Financial Statements of Islamic Banks and Financial Institutions and introduces the concepts of quasi-equity, off-balance-sheet assets under management and other comprehensive income to enhance the information provided to the users of the financial statements. This standard shall be effective for the financial periods beginning on or after 1 January 2023 with early adoption permitted. The Group is currently evaluating the impact of the above standards.

- **FAS 39 - Financial Reporting for Zakah**

AAOIFI has issued FAS 39 in 2021. This standard improves upon and supersedes FAS 9 on "Zakah" and aims at setting out the accounting treatment of Zakah in the books of the institutions, including the presentation and disclosure by an Islamic financial institution. The accounting and financial reporting requirements such as recognition, presentation and disclosure requirements of this standard shall apply to institutions that are obliged to pay Zakah on behalf of certain or all stakeholders. Institutions that are not obliged to pay Zakah shall apply the disclosure requirements of this standard for certain or all stakeholders, as relevant. This standard shall be effective for the financial periods beginning on or after 1 January 2023 with early adoption permitted. The Group is currently evaluating the impact of the above standards.

3 SIGNIFICANT ACCOUNTING POLICIES (Continued)**3.2. New standards, amendments and interpretations****3.2.1. New standards, amendments and interpretations issued but not yet effective and not early adopted**

- **FAS 40 - Financial Reporting for Islamic Finance Windows**

AAOIFI has issued FAS 40 in 2021. The objective of this revised standard is to establish financial reporting requirements for Islamic finance windows and applicable to all conventional financial institutions providing Islamic financial services through an Islamic finance window. This standard improves upon and supersedes FAS 18 "Islamic Financial Services Offered by Conventional Financial Institutions". This standard shall be effective for the financial periods beginning on or after 1 January 2024 with early adoption permitted. The Group is currently evaluating the impact of the above standards.

Net financing assets	351,462	388,736

5. INVESTMENTS CARRIED AT FAIR VALUE

	31 March 2022 (Reviewed)	31 December 2021 (Audited)
Investments at fair value through equity	418,052	285,756
Investments at fair value through income statement	118,654	121,798
	536,706	407,554

Loss on re-measurement of investments at fair value through income statement for the three-month period ended 31 March 2022 was QAR 3.1 million (for the three-month period ended 31 March 2021: a gain of QAR 0.5 million).

5. INVESTMENTS CARRIED AT FAIR VALUE (Continued)**5.1. Investments at fair value through equity**

Investments at fair value through equity comprise of investments as follows:

	31 March 2022 (Reviewed)	31 December 2021 (Audited)
Equity-type investments	96,903	96,903
Debt-type sukuk investments*	321,149	188,853
	418,052	285,756

*As at 31 March 2022, the Bank recognized negative fair value adjustment of QAR 2.6 million (for the three-month period ended 31 March 2021: QAR 0.9 million) related to these sukuk investments. Sukuk investments of nominal value of QAR 149.1 million (fair value of QAR 149.9 million) of the Group have been pledged as security for bank financing liabilities of QAR 109 million of the Group.

6. INVESTMENT IN REAL ESTATE

In 2021, the Bank entered into an Ijarah Agreement ending with transfer of ownership with a local bank to acquire Lulu Messila hypermarket building. The property, thereafter, is subleased to third company. In line with this transaction, the Group recognized QAR 214.4 million right-of-use asset and related Ijara payable of QAR 160 million in its balance sheet.

Investment in real estate also include direct real estate investment of QR 12 million.

7. ASSETS AND LIABILITIES HELD-FOR-SALE

	31 March 2022 (Reviewed)	31 December 2021 (Audited)
Assets of disposal groups classified as held-for-sale	311,879	315,319
Liabilities of disposal group classified as held-for-sale	165,411	167,011

As part of its business, the Bank from time to time enters various structures to invest indirectly in real estate properties using special purpose vehicles ("SPV") with an intention to sell substantial part of it to investors. Until the Bank ceases its control over those SPVs, they are consolidated by the Bank as a result of application of the accounting consolidation rules under Financial Accounting Standard 23 whereby an entity needs to consolidate an SPV based on economic substance despite the fact that the SPV is not legally owned by and not legally related to the Bank. The financings of these SPVs related to the real estate property have no recourse to the Bank.

a) US Real Estate Structures

During 2019, the Bank entered a structure to invest in real estate within United States of America and indirectly acquired 97% in real estate property (the "Fair view").

b) UK Real Estate Structures

In 2017, the Bank entered a structure to invest indirectly to acquire 100% in real estate property in the United Kingdom (the "UK Real Estate Structure"). The real estate was financed partly by the Bank through a Murabaha contract with an option to acquire the underlying real estate. As of 31 March 2022, the Bank sold a 71% stake out of 100% in the UK Real Estate Structure to its investors.

8. SHARE CAPITAL

17. COVID IMPACT

The coronavirus ("COVID-19") pandemic has spread across various geographies globally, causing disruption to business and economic activities. COVID-19 has brought about uncertainties in the global economic environment. The Bank is closely monitoring the situation and has activated its business continuity planning and other risk management practices to manage the potential business disruption COVID-19 outbreak may have on its operations and financial performance. The impact of outbreak may have on its operations and financial performance is being continually assessed. The Central Banks and Sovereign Governments have announced monetary and fiscal measures to mitigate the possible adverse implications.

The Group has considered the potential impacts of COVID 19, factored the Fiscal and Monetary support available, credit strength of the borrowers, current economic disruptions in determining ECL requirements. In management's best assessment, risks are sufficiently covered at this point in time. This volatility has been reflected through updating the macro-economic factors, adjusting the method of scenario construction and the underlying weightages assigned to these scenarios.

The weightings assigned to each macro-economic scenario at the Bank level are based on the CCI, and as of 31 March 2022, were 65% to the Base Case, 30% to Downside and 5% to the Upside Case (As at 31 March and 31 December 2021, were 30% to the Base Case, 65% to Downside and 5% to the Upside Case). The situation is evolving and accordingly any upside or downside scenarios will be reassessed should the conditions significantly change.

The Group also has considered the potential impacts of COVID 19 to its equity investments revisiting the underlying assumptions used in determining the fair values. The management will continuously monitor the ongoing situation as markets remain volatile and the recorded amounts may remain sensitive to market fluctuations.

18. EVENTS AFTER THE REPORTING PERIOD

At the Extraordinary General Meeting (EGM) held on 22 September 2021, the Shareholders approved to increase the Bank's share capital through a rights issue representing 60% of the Bank's current paid-up nominal share capital (i.e., from QAR 700,000,000 up to QAR 1,120,000,000) within a period of one year from EGM date. The EGM also authorized the Board of Directors to determine the price of the rights issue, which was set at QAR 1.2 per share, including issuance expenses that are capped to 1% of the share par value. Accordingly, the subscription process for the rights issue commenced on 6 April 2022 and closed on the 19 April 2022. The final outcome of the subscription process is subject to the receiving bank final confirmation and the sale of unsubscribed shares through the market as per the regulatory process, following which the Bank will determine the final size of the capital increase.
